Hemlocks Landscaping to help deployed

Hemlocks Landscaping is participating in “GreenCare for Troops” in Canton.

The nationwide program initiated by Project EverGreen connects participating local landscape firms with families of men and women who are away from home serving in the armed forces.

“Lawn and landscape maintenance becomes a definite hardship when a family’s major breadwinner is on active duty away from home,” Hemlocks President **Ross Fletcher** said. “The ‘GreenCare for Troops’ program seeks to ease this stress by helping affected families with the important task of caring for their yard and landscape.”

Participation is limited. For information, call (706) 692-9064.
